8 oz.	381403

PRODUCT APPLICATION

DIRECTIONS

(Read entire directions and warnings prior to use.)

Shake well before use. Keep extra microfiber towels handy.

- Prepare headlight for application by washing and thoroughly drying surface.
- Squeeze a small amount of Wipe New Headlight Polish into a clean, dry microfiber towel and work the product into the headlight surface by rubbing in a circular motion.
- Remove excess with microfiber towel. Heavily stained headlights might require multiple applications.

NOTE: Sealant formulated in the polish will seal and protect the freshly polished headlight surface.
